LLPOA Meeting Minutes for March 24, 2026

Special Budget Meeting

Call to Order:

The Laurel Lake Property Owners Association (LLPOA) held a special meeting March 24, 2026, at Nelson City Hall for the sole purpose of creating a 2026 annual budget and discussing new goals.

The meeting was advertised on the LLPOA Facebook page but no one other than board members attended.

The President asked for a motion to start the meeting; he reminded everyone Robert's Rules of Order were in effect.

Results:

Board members went line by line using the 2025 Budget as a guide to create a 2026 budget. Once completed, board members unanimously approved the plan.

Outcome:

A Cash Flow report showing actual expenses for 2025 and approved projected spending for 2026 is attached. The projected spending indicates the LLPOA will end the year with a positive balance of \$25.
